Description

Gilmar rents a fabulous semi-detached house in Casares Playa, on the beachfront.

This townhouse is divided into three floors. We access it through a cozy hall that leads to a toilet, its fully equipped and independent kitchen and its spacious living-dining room with a fireplace located at different heights. From the living room we have access to the terrace, which is partially covered and which leads to the common areas of this wonderful complex.

On the second floor we find three bedrooms and two bathrooms, one of them en suite. All bedrooms have spacious closets.

Finally, it has a large terrace and solarium on the top floor.

This magnificent property is available from SEPTEMBER to JUNE, and can be rented for the entire season or for months (check availability and prices).
