Description

Sotogrande, located on the picturesque Spanish coast, stands out as one of the most attractive, glamorous, and versatile destinations in the region. Its privileged location, careful urban development, and exclusivity make it virtually a unique residential area. This tranquil enclave not only provides robust security measures but also offers a wide range of both sporting and social activities, thanks to the diversity of high-level sports events that bring to life a select and lively society. With spacious avenues, a marina, beach clubs, and a variety of services including an international school, banks, and shops, Sotogrande presents itself as a place that caters to all needs. Moreover, it offers the possibility to engage in various activities, establishing itself as a comprehensive destination.

Sotogrande emerges as one of the top European destinations for golf enthusiasts, boasting 2,000 hectares hosting 9 top-notch golf courses. At the heart of this paradise lies The 15 in La Gran Reserva, one of the two communities designed in this exclusive enclave. Framed by a serene and secluded environment, The 15 offers its residents breathtaking views of the Sotogrande coast and beyond. This place exudes a strong sense of belonging. Each plot and villa in The 15 has been meticulously located and oriented to safeguard the privacy of its residents, providing them with a unique getaway overlooking the Mediterranean Sea. Furthermore, The 15 stands out as one of the few residential communities exclusive to owners and guests, ensuring 24-hour security. The 15 not only
