Description

Magnificent contemporary villa in La Quinta

This amazing villa sits on a corner south-east facing plot that has fabulous views overlooking Marbella.

La propiedad se encuentra sobre un complejo de lujo en las colinas de Marbella que incluye una casa club, varios restaurantes, un lago artificial lo suficientemente grande para practicar deportes acuáticos, una playa, un hotel y un campo de golf.

The property rests above a luxury resort in the hills above Marbella which includes a club house, various restaurants, an artificial lake large enough for water sports, a beach, a hotel and a golf course.

The carefully thought-out orientation of the villa ensures uninterrupted sea views and complete privacy. The villa has a large pool and generous terraces, making the most of the fabulous Marbella climate.

In key parts of the villa the windows disappear into the walls, framing the undisturbed, panoramic views of the idyllic natural surroundings. There are four spacious ensuite bedrooms, with the Master Suite enjoying its own private terrace. Built over three floors with the entrance and communal living areas on the first floor and the bedrooms on the ground floor, this is a magnificent family home.
