Description

A constellation of only sixteen super high-end villas in a gated community awaits you in one of Benahavís' most exclusive residential areas. Puerto Banús and Marbella are only about 15 minutes away by car.

The property's south-east orientation offers panoramic mountain views and uninterrupted sea views, all the way to Marbella's eastern border with wide beaches, many kilometres away.

The 6 en-suite bedroom villa spreads across 3 floors, including the basement. Materials and

appliances are of the highest qualities. Terraces amount to 307m² and huge windows and high ceilings provide a space where the natural sunlight floods into the property. Here, you can really enjoy the 320 days a year of sunshine. Features include a cinema, bodega, a gym, and a Spa with hammam and sauna. There is parking for 2 big cars.

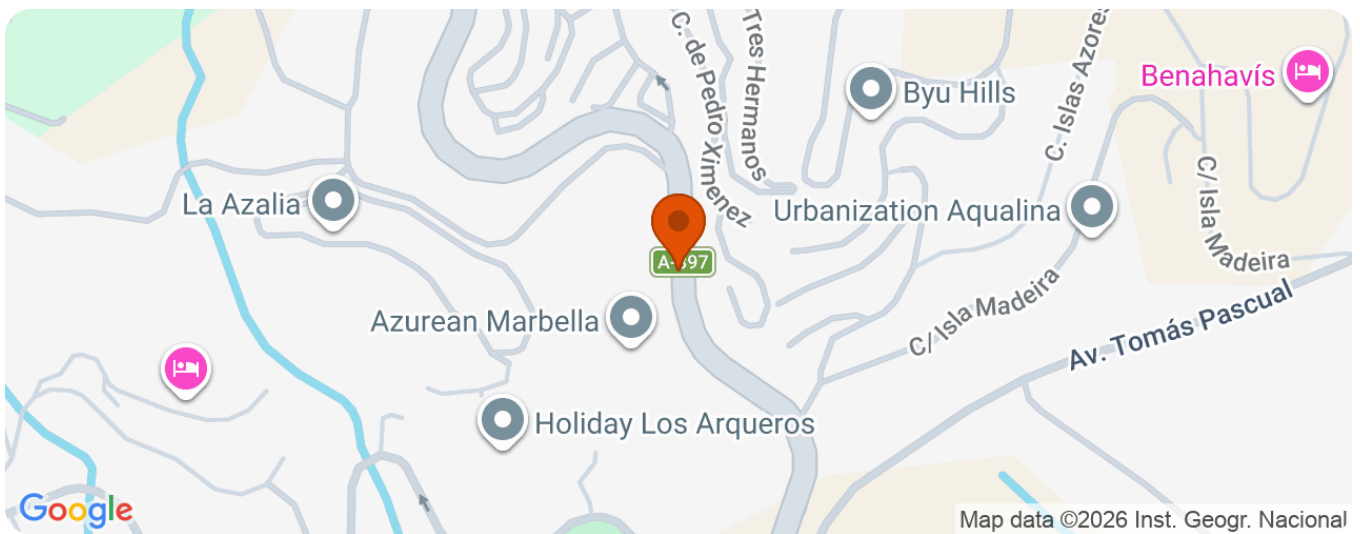

The community is very private and the properties are strategically placed across an expansive area so that views are not spoiled by neighbours.
