Description

GILMAR presents this building with unrivalled potential for refurbishment and conversion into an exclusive residential space. Located in the heart of Medina, next to Plaza de España, this building has a surface area of 311 m² and a buildable area of 466.5 m², which makes it the perfect canvas for creating a high quality residential project or tourist housing.

The building already has a refurbishment and construction project for 3 dwellings, designed to make the most of the space and natural light. Each home will offer a modern and comfortable

environment, while maintaining the charm and authenticity of Medina's historic surroundings.

With a prime location in the heart of the city, future residents will enjoy all the amenities and services that the city centre has to offer, including shops, restaurants, cafes and public transport, all within walking distance.

Don't let this investment opportunity pass you by! Contact us for more information on this exciting refurbishment project in the heart of Medina.
