Description

Gilmar Consulting Real Estate offers you this magnificent villa house with tourist license in active exploitation 15 minutes from Seville.

This wonderful cortijo, 20 minutes from the centre of Seville, is the investment that any person would like to make in a property. With a plot of 9050 square meters, swimming pool, jacuzzi for 20 people, individual horse boxes, working area for the horse, hen house area with geese, turkeys, peacocks, hens of various types... And next to Seville, it is the property you are looking for both to invest and to

live in the metropolitan area of Seville.

The finca is an old cortijo converted into a country house, with 6 bedrooms, large living room, kitchen, celebration area, wine cellar, storage shed... and currently as a country house it produces more than 60.000€ of income per year, so the mortgage could pay itself off and have a house to enjoy it whenever you want.
