Description

Flat in new development in Estepona, was built in 2024 and has lift, private gardens, front line golf, sea views, gated community, mountain views, golf views and outdoor swimming pool. This is a new development of flats in Estepona Golf, spacious and bright homes overlooking the golf course. These flats enjoy panoramic views over the golf course, the coast and the mountains. Some properties also have sea views. The flats have plenty of natural light as they are south or southwest facing. This new residential development of 69 flats offers 2 and 3 bedroom homes. The flats have large terraces, the ground floor apartments offer terraces and private gardens and the penthouses enjoy large terraces and private solarium. The complex is private and gated with communal gardens and swimming pool.

This development stands out for the high quality of construction, together with the luxurious materials used and the sophisticated design and finishings. The designer kitchen is equipped with ceramic hob, oven and fridge. The bathrooms are fully equipped, shower screen and mirror included. Energy efficiency is key, air conditioning/heating, solar panels, thermal and acoustic insulation and a natural ventilation system guarantee a B energy certificate. Both the development and the golf course are perfectly integrated into the natural surroundings and enjoy spectacular scenery. All flats have a private parking space at ground level with pre-installation of a charging point for an electric vehicle for each property.
