Description

This development consciously wants to make the difference in quality, quality in building, quality in materials, quality in finishing, quality of architecture, in short quality of life. We understand the importance of high quality and living comfort. Whether this is your second home or your permanent home, we do not want you to have to put up with irritations and disappointments, because the execution of your apartment is ultimately not what you expected. On the contrary, we have the ambition to guarantee our buyers the promised qualities. First of all, it starts with a unique architecture with well thought out layouts, large outdoor spaces and always partial sunshine for everyone's terrace, after all, you are buying an apartment on the Costa Del Sol. The apartments are

south, south-west orientated and look out over a park-like garden with swimming pools, over the green landscape towards the coasts and they almost all have sea views as well. Then of course the selection of an excellent contractor, specialised in building in the top end of Andalusia and using A-brands for all materials and finishes. The project is exceptionally well located in terms of infrastructure and has a direct connection to both the highway and the toll road. In addition, the recently built Estepona hospital has ensured that the public areas and streets are modern and complete with parks and green spaces. The convenient access by car takes you in 4 minutes to the historic centre of Estepona, in 15 minutes to vibrant Puerto Banús, in 20 minutes to the centre of
