Description

New villa projects at half price in Los Flamingos!

The average villa price in Los Flamingos is now around €5million.

Build your own villa with a reputable and established developer for half the market price in just 20 months. With an efficient and friendly Benahavís urban planning department and a strong developer, you are in the best of hands.

At the heart of Los Flamingos is the Villa Padierna Palace Hotel surrounded by beautiful golf courses. The gated community with a mixture of luxury apartments and villas reaching €20 million has 24-hour security. From here you are 5 minutes by

car to the beach where you can also enjoy the Villa Padierna beach and rackets club with its upmarket beach restaurant. Puerto Banús is a 10-15 minute drive away and the private hospital Hospiten is 4 minutes away by car. Amenities such as supermarkets, banking and a pharmacy are just down the road and for finer dining, there is a wide choice at the Guadalmina commercial centre.

This villa has 4 bedrooms and 4 bathrooms with a total construction of 360m² and is on a 1,769m² plot. There is parking for 3 cars. The competitive price comes from a slightly smaller property and plot than others in Los Flamingos, but you can now live in this very prestigious location at a more affordable price.
