Description

GILMAR presents this exclusive apartment in UNIVERSIDAD with an area of 169 m², offering a unique living experience in the heart of Madrid. With 3 bedrooms and 2 bathrooms, this high-quality renovated home is perfect for those looking for a luxurious and elegant lifestyle.

Located in a privileged area, this apartment has impressive views of Gran Vía and is located next to the Plaza de España. In addition, it is surrounded by a wide range of services and amenities.

For those who love shopping, the apartment is close to several shopping centers, such as El Corte Inglés de Preciados and Mercado de San Miguel, where you can enjoy a wide variety of shops, restaurants

and entertainment.

In terms of mobility, this apartment has excellent public transport connections. The closest metro stations are Callao and Santo Domingo, which will allow you to easily travel throughout the city. In addition, the C3 and C4 commuter lines are also nearby, making it easier to travel to the outskirts of Madrid. Finally, several bus lines pass near the location of the apartment, which will allow you to move around the city comfortably.

The Sol neighborhood is known for its lively nightlife, its exclusive shops and its wide cultural offer. Here you will find a large number of restaurants, bars and cafes where you can enjoy

Description

local cuisine and Madrid culture. In addition, you will be a few steps from important points of interest

such as Puerta del Sol, Plaza Mayor and the Royal Palace.
