Description

This newly built apartment is nestled in a privileged natural setting with views over the bay of Estepona and the Marbella hills, very close to the sea and very well connected. A project with soft, elegant lines designed by the prestigious architectural firm. It features exclusive community amenities, spacious interiors, and covered and open terraces, creating a product that offers everything a client would expect from a home on the Costa del Sol. This development features 60 two- and three-bedroom units, and the community building provides the residential complex with amenities (coworking, a gym, a yoga studio, a heated pool, and saunas), as well as a communal outdoor pool and children's pool. The blocks are arranged on the ground floor, first floor, and second floor with a solarium (or penthouses).

This project has a very attractive and organic appearance that blends perfectly into its surroundings. It has a private access from the road, and the development will feature a video surveillance system and digital access technology via app. The homes are designed with spacious rooms, a living room with an integrated kitchen, and large terraces.

Apartment in Costa Galera, 120 m2, 2 bedrooms, 2 bathrooms, kitchen, terrace of 20 square meters, facing South and 1 garage.
