Description

This is an excellent opportunity to acquire a brand new semi-detached house in Torreldones, Madrid. With an expected delivery from February, this detached house is located on a plot of 400m² and has a built area of 310m².

The location of this villa is unbeatable, as it is located in a quiet and residential area of Torreldones, but at the same time very close to all the services of the center. In addition, it has excellent transport connections, with several bus lines nearby and the Torreldones train station just a few minutes drive away.

The distribution of the house is very functional and comfortable. On the first floor there is a spacious

living room with large windows that allow plenty of natural light and direct access to the garden. The open kitchen, open to the living room, offers the possibility to furnish it to the buyer's taste and also has direct access to the garden. Also on this floor there is a complete bathroom and a bedroom or office.

On the second floor there are four bedrooms, two of them en suite and two independent bedrooms, as well as another independent bathroom. The master bedroom has a dressing room and direct access to a terrace.

In the basement, we find two large spaces with English patios that can be enabled as additional

Description

rooms, a bathroom, a laundry room, the boiler room and a storage space. This house has high quality finishes, such as double glazed windows, porcelain underfloor heating, electric blinds and an aerothermal air conditioning system. In addition, it will have a photovoltaic solar pack in accordance with the CTE, which means significant savings in energy consumption.
