Description

Gilmar Real Estate sells this exclusive urban plot in the historic centre of Malaga: an unrepeatable opportunity.

Located in the heart of the historic centre of Malaga, next to the emblematic Calle Granada, this exceptional plot represents a unique investment opportunity in one of the most historic and charming areas of the city.

With an area of 189 square meters, this asset allows the creation of a multi-family housing project, offering the possibility of developing an exclusive promotion in a location where this type of opportunity is increasingly scarce.

Privileged location in the heart of Malaga. This plot is just steps away from some of the city's most iconic monuments, surrounded by a vibrant environment where culture, gastronomy and commerce merge to offer an exceptional quality of life. Living in the historic centre means enjoying the essence of Malaga on a daily basis, with its cobbled streets, its history and the Mediterranean character that makes it unique.

In addition, its proximity to Calle Larios, the Cathedral, the Picasso Museum, the Plaza de la Merced and the Roman Theatre make it a highly sought-after location, both as a permanent residence and as a high value investment.

Description

An exclusive asset in a market with high demand. The scarcity of plots in the historic centre makes this property one of the most attractive opportunities currently on the market. With the possibility of developing a tailor-made project, this plot offers the opportunity to create a unique home in one of the most desirable areas of the city.
