Description

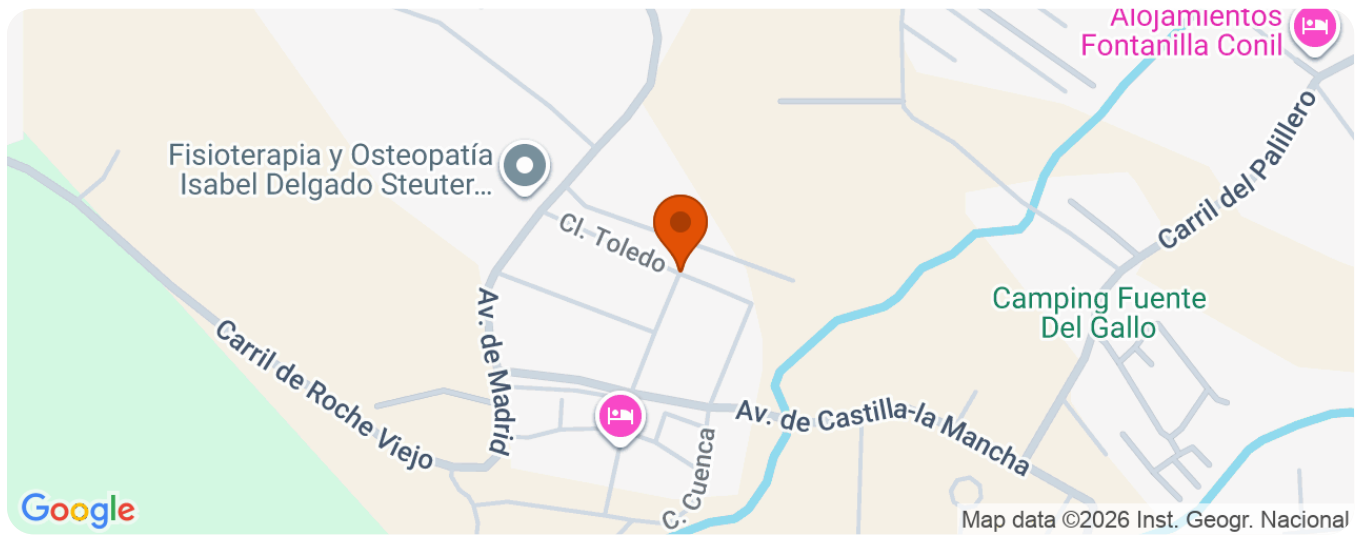

Gilmar offers you this semi-detached house located in the prestigious private urbanization of Fuente del Sol, Conil de la Frontera. This urbanization is known both for being on the beachfront, as well as for its frontal sea views, being away from traffic and surrounded by nature. The area is excellent for nature lovers and is frequented by cyclists, walkers and runners, as it has trails that run parallel to its well-known cliffs, located at the foot of the sea and that give shape and fame to the geography of the place. The beach, located in front of the urbanization, is known as Cala del Puntalejo. The

urbanization has large communal garden areas, as well as two swimming pools, one for adults and one for children. The house is built on three floors, being its distribution as follows: First floor: Entrance, kitchen, large living room with access to terrace and porch and two bedrooms, one of them with walk-in closet and bathroom en suite. Semi-basement floor: It is diaphanous, so it has multiple possibilities of use. Second floor: it consists of two bedrooms, both with en suite bathroom and private terraces overlooking the sea. Finally, there is a solarium, from where the sea views are unbeatable.
