On the ground floor, you'll find a spacious and bright open-plan living-dining room with an American-style kitchen. A standout feature is the original overhead skylight that connects directly to the rooftop, allowing natural light to flood the space and enhance its warmth. The living room includes a large modular sofa, ideal for everyday use or entertaining guests. This level also offers a fully renovated bathroom with a stylish and practical walk-in shower.

Upstairs, there are two immaculate bedrooms, tastefully decorated in a modern style that maximizes space and ensures comfort. A second fully updated bathroom completes this floor.
