Description

Exclusive development of three contemporary and stunning villas located just steps from the sea in El Chaparral, Mijas Costa. These spacious homes offer garden, three spacious bedrooms with bathrooms en suite and private large terrace, nice garden and pool. Offering a modern open plan design, these luxurious homes promise attention to detail in every corner of the property. Inside and out, you will notice the quality of the materials used to create these incredible properties. The basement is as

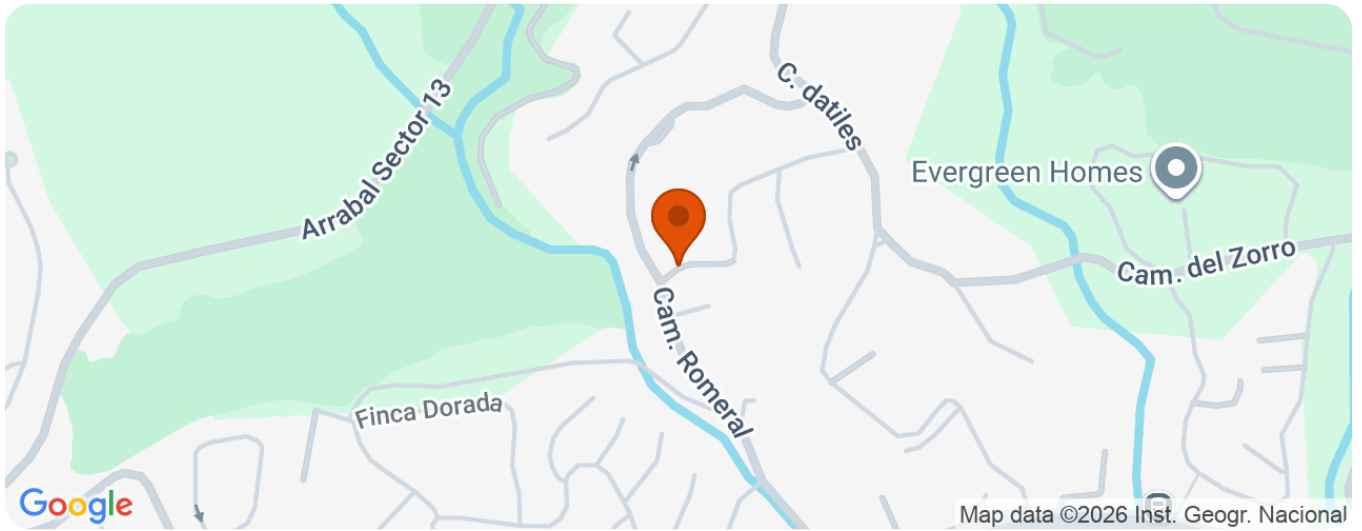

spacious as the main floor. It could house more bedrooms as there is natural light, a cinema room, a gym or games room, a wine cellar. The choice is yours. The rooftop solarium terrace offers a chill-out area, perfect for entertaining or relaxing.

The proximity to La Cala de Mijas means you have all the amenities you could need close by. And, of course, the wonderful beaches.
