Description

Discover the new residential complex in Estepona, where luxury and comfort meet the natural beauty of the Costa del Sol.

This exclusive complex enjoys a privileged position offering stunning sea views and excellent connectivity with the main roads in the area. Located in the heart of Estepona, a city known for its traditional charm, golden beaches, and vibrant cultural life.

The residential complex is spread over two distinct plots, housing a total of 56 homes with 2 and 3 bedrooms, organized into 3 buildings. Each plot has its own amenities building, which includes a wellness area, community pool, garden spaces, bar

area, and access control.

The homes are designed to offer maximum comfort and elegance. Each one includes a parking space and storage room, and a living room that opens onto a large terrace with sea views. The ground floor homes, depending on the type, have their own private garden, while the penthouses feature a private solarium.

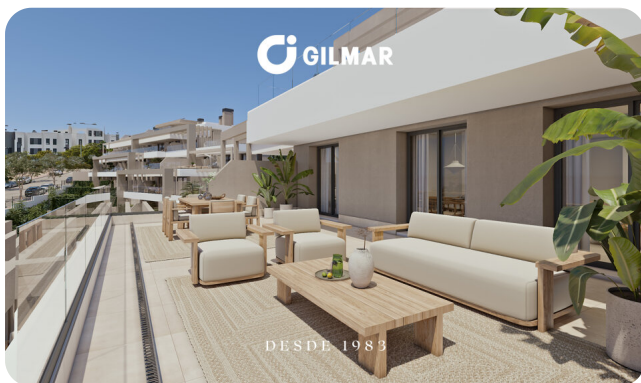

Architecturally, the project stands out for its imposing lines, marked by large porticos and exterior pergolas, which not only provide shade to the terrace spaces but also add character and unity to the complex.

Description

Estepona, with its microclimate offering more than 325 days of sunshine a year, is the perfect place to enjoy a peaceful and comfortable life. The city offers a wide range of activities, from strolls through
