Featuring 3 bedrooms, 2 bathrooms, and a 120 m² terrace, this 81 m² home combines contemporary design, comfort, and dreamy outdoor spaces. The property is characterized by an abundance of natural light, and from the living room, you step out onto the terrace with beautiful views of the mountains. The custom-designed kitchen includes a practical curved island and high-end Bertazzoni appliances, blending seamlessly with the open plan living area. The design maintains harmony throughout the home with beige 60x60 porcelain tiles used consistently on the floors, bathroom

walls, and outdoor areas. Matte black finishes and skylights in both bathrooms add a modern and aesthetically refined touch. The first terrace, facing the morning and midday sun, offers space for a dining table, storage, and is filled with natural light. Heading up to the private rooftop, you're greeted by panoramic sea views that captivate from the very first moment. The spacious area invites relaxation, featuring an outdoor shower, sunbathing zone, open-air kitchen, barbecue, and a fire table for those cozier evenings. Finishes such as walnut wood carpentry and Italian Calacatta porcelain countertops bring both quality and warmth to the home. Matte black switches, faucets, and handles complete the modern and functional design. Contact us to schedule a private viewing and
