Description

Discover Casares Bay, an exclusive new-build development located next to Doña Julia Golf, between Casares Costa and Estepona, where contemporary architecture, nature and the Mediterranean lifestyle come together to create a truly special place.

The development is already under construction, offering buyers the reassurance of purchasing a home in a project that is progressing according to schedule.

The residential complex comprises a carefully selected collection of 2- and 3-bedroom homes, with a variety of layouts including elegant apartments, ground-floor residences with spacious

private gardens, and exclusive penthouses and duplex penthouses with magnificent terraces. Each home has been designed to maximise natural light, make the most of the Costa del Sol climate and provide exceptional comfort throughout the year.

Contemporary architecture, high-quality materials and thoughtfully designed layouts create functional, bright and welcoming homes that blend seamlessly into their surroundings. All properties include a parking space and storage room.

The communal areas have been designed with wellbeing in mind, featuring an elegant communal swimming pool surrounded by landscaped gardens, creating the perfect setting to relax and enjoy the
