Description

New Development of 2, 3 and 4-Bedroom Sea View Apartments for Sale in Fuengirola, Málaga

Welcome to Torreblanca Heights, an exclusive new-build development of 36 homes located in the sought-after area of Fuengirola, Málaga. This privileged location allows you to enjoy a peaceful setting just a short distance from the sea, while remaining close to all the services and vibrant lifestyle that the Costa del Sol is known for.

The project stands out for its contemporary design, inspired by the shape of a ship's hull, blending seamlessly into its surroundings. Crafted with noble, locally sourced materials such as wood, it combines modernity with warmth. Its elevated

position offers residents stunning panoramic views of the Mediterranean Sea.

Torreblanca Heights features a total of 36 homes in various layouts, offering 2, 3 and 4 bedrooms, distributed across ground floors, mid-level apartments, and penthouses. All properties boast spacious private terraces with sea views, and include two parking spaces and a storage room in the price.

The interior design emphasizes open, functional spaces. The living-dining area, connected to an open-plan kitchen, creates a spacious and bright environment, enhanced by large windows that flood the home with natural light throughout the day.

Description

Built with sustainability in mind, these homes have a B energy rating and include renewable energy systems such as aerothermal technology and solar panels for domestic hot water, ensuring energy efficiency and savings.

High-quality finishes include:

Reinforced security front door

Laminate wood flooring and porcelain tiles in bathrooms and terraces

Pre-installation for alarm and home automation systems

Video intercom

The Nel'la Design kitchen comes fully equipped with integrated appliances, Silestone-style countertops, and upper and lower cabinetry. Bathrooms are finished with high-end ceramic tiles and include premium sanitaryware and fittings from brands such as Roca.

The homes also feature high-performance aluminium window and door systems with excellent thermal and acoustic insulation, along with a Samsung air conditioning system (hot/cold) using a heat pump, ensuring comfort all year round.

The communal areas are another key highlight of this development. Residents will enjoy exclusive access to:

Adult and children's swimming pools

Solarium

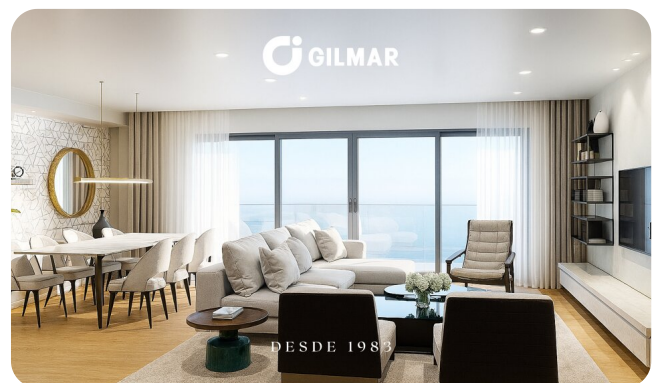

Gym and sauna

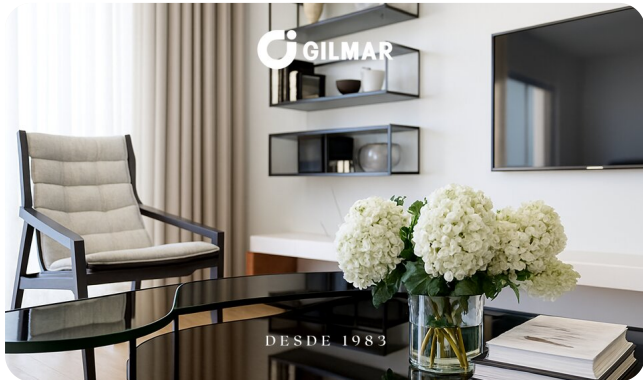

Landscaped gardens and chill-out areas

Community room for events and gatherings
