Description

The heart of the home is a spacious living-dining area with an integrated kitchen, an open-plan and elegant space that perfectly combines design and functionality, ideal both for everyday living and for entertaining. The kitchen, seamlessly integrated, features high-end materials and is fully fitted with appliances.

The sleeping area comprises three en-suite bedrooms, each with its own private bathroom, offering independence, comfort, and privacy in every space. In addition, the property includes a guest bathroom, strategically located for visitors.

As an added value, the property features an independent laundry area, providing practicality and

order throughout the home.

The building offers a full-time concierge service, ensuring security, convenience, and daily assistance, and stands out for its well-maintained and representative character.

A unique, bright, and sophisticated residence, located on the top floor of the building, ideal for those seeking an exclusive, brand-new property with a layout designed down to the finest detail.

The building, of notable prestige, also benefits from a full-time concierge, adding further security and comfort for its residents. A truly exceptional home distinguished by its size, natural light, height, and
