Description

GILMAR offers you the exclusive privilege of living in one of the quietest and most sought-after areas of Seville's old town. This spectacular detached property presents an opportunity for those seeking to combine traditional Sevillian architecture with space and comfort, whilst enjoying a generous private space right in the city centre. With a total built area of 329 m², the layout is efficiently designed to make the most of natural light and privacy. Unlike the vast majority of properties in the area, this home features an integrated private garage – an invaluable and extremely exclusive

amenity in the historic centre – ensuring complete convenience in your day-to-day life. Situated in the neighbourhoods of San Vicente and San Lorenzo, the property is surrounded by Seville's historic heritage. Its location allows you to enjoy unique walks to the majestic Basilica del Gran Poder, the Palacio de las Dueñas, the Alameda de Hércules or the banks of the River Guadalquivir. Living in this location means enjoying an exceptional quality of life without having to rely on a car. ASK US FOR MORE INFORMATION.
