Description

Located in a classic 1945 building in the heart of the Goya neighborhood, within the prestigious Salamanca district, this magnificent 146 sqm exterior apartment has been fully renovated in a contemporary style, thoughtfully designed to offer comfort, functionality, and refined aesthetics in every detail.

The property stands out for its excellent layout and abundant natural light throughout, thanks to its exterior orientation and three charming terraces, which enhance the sense of space while creating a seamless connection with the outdoors. The social area has been conceived as an open and welcoming environment, featuring a spacious living and dining room integrated with a modern fully equipped

designer kitchen, ideal both for everyday living and entertaining guests.

The private area comprises three generously sized bedrooms and three full bathrooms, all designed with high-quality materials and contemporary finishes that combine elegance with practicality. Every room has been carefully planned to maximize comfort and create a sophisticated yet balanced atmosphere.

Additional features include central heating, split-system air conditioning, and Smart Home automation technology, allowing for efficient and intelligent control of different elements within the property. The apartment is located in a
