Description

We present a sophisticated residential project comprising 32 exclusive 2 and 3-bedroom homes, thoughtfully conceived for those seeking a lifestyle where architecture, privacy, and wellbeing come together in perfect harmony. Defined by an avant-garde contemporary aesthetic, the building stands out for its striking visual presence, elegant lines, and seamless integration between indoor and outdoor living.

Each residence has been designed to maximise natural light and spaciousness, featuring large floor-to-ceiling glazing and expansive terraces that become a natural extension of the home, ideal for enjoying the privileged Costa del Sol climate all year round. Selected units also offer private gardens,

rooftop solariums, and individual pools, elevating the residential experience to an exceptional level.

The communal areas have been carefully curated for an exclusive yet functional lifestyle, including a communal swimming pool, fully equipped gym, spa with sauna, residents' lounge, coworking space, landscaped gardens, and solarium, creating an environment designed for comfort, relaxation, and connection.

The development is completed with underground parking spaces, private storage rooms, and pre-installation for electric vehicle charging, offering maximum convenience and a forward-thinking vision aligned with the needs of
