Description

GILMAR MIRASIERRA & PUERTA DE HIERRO presents an exceptional 315 sqm apartment in Fuentelarreina, offering a rare opportunity for those seeking a spacious, bright, and highly customizable home. This large family-style apartment features five generous bedrooms, three bathrooms, an independent living room, and a sizable kitchen with breakfast and utility areas. Its southwest orientation ensures abundant natural light throughout the day, and all rooms are exterior, providing open views and a strong sense of space. The property includes two storage rooms, one of exceptional size, and comes with a parking space

within the building, a valuable asset in this residential area. The development offers top-notch amenities including a swimming pool, tennis courts, landscaped gardens, and 24-hour concierge service. The building is equipped with an elevator and central heating with individual meters, combining comfort, efficiency, and security. With its generous layout, excellent location, and outstanding potential, this apartment represents a unique opportunity to create a truly exceptional home in one of Madrid's most desirable and peaceful neighborhoods.
