Description

Imagine starting your morning with Mediterranean light gently filling your home, the calm of a beautifully maintained residential community, and the sea breeze accompanying your first coffee. All of this enjoyed from a spacious glass-enclosed terrace overlooking the sea—designed to be lived in and enjoyed all year round. This is everyday life in this exclusive corner apartment on Estepona's sought-after New Golden Mile.

Offering 170 m² of built space, the apartment has been designed to embrace light, space, and privacy. Its corner position and fully exterior layout allow every room to connect with the surroundings, creating a constant sense of openness and wellbeing. With three bedrooms and two

bathrooms, the property offers the perfect balance between comfort and practicality, whether as a family home or a spacious residence on the Costa del Sol.

The 47 m² terrace, enclosed with a high-quality Lumon glass system, becomes a versatile and exceptional living space: an additional lounge flooded with natural light, perfect for enjoying sunny winter days, relaxed meals throughout the year, or peaceful evenings with uninterrupted sea views. A space created to make the most of the Costa del Sol's renowned year-round microclimate.

Set within a residential complex featuring lush communal gardens and a swimming pool, the

Description

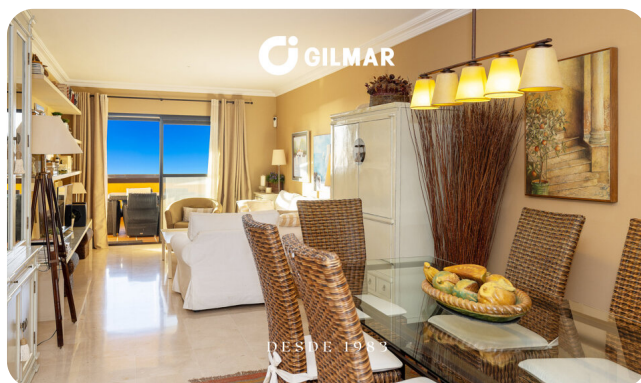

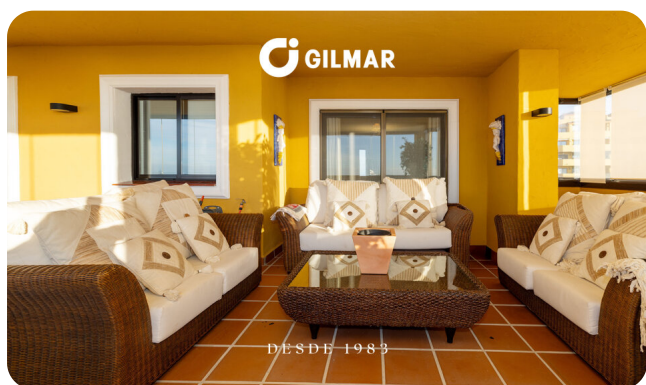

property offers a relaxed and secure lifestyle. Everyday comfort is ensured with air conditioning, central heating, lift access, underground parking, and an intercom system.

The location completes the experience. Just minutes from the beach, surrounded by renowned golf courses, and close to the new Atlas International School, this home is ideal for families and international buyers looking to settle on the

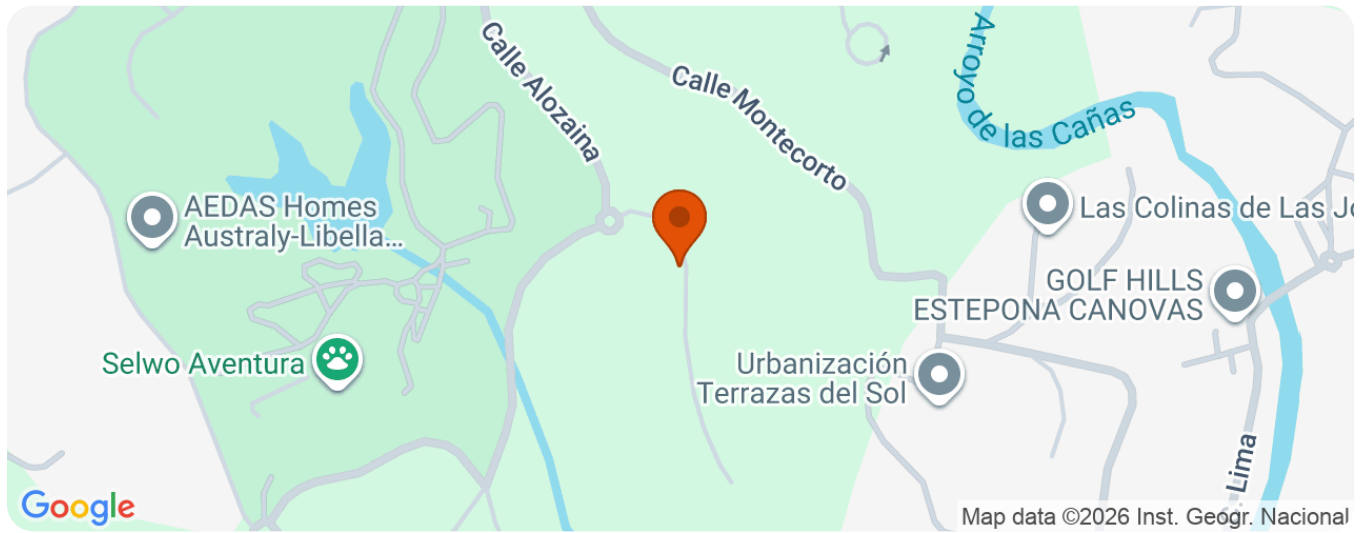

Costa del Sol. With easy access to both Málaga and Gibraltar international airports, connectivity is effortless.

Living here is not simply about owning a property—it is about embracing a lifestyle defined by light, sea views, international atmosphere, and exceptional quality of life in one of Southern Europe's most desirable destinations.
