Description

The apartment we are presenting is situated in one of the best residential complexes in the area, with spacious communal areas, a swimming pool, and spaces designed for both children and adults. Located on the first floor and facing southwest, it enjoys abundant natural light and sunshine throughout much of the day.

Its 140 square meters of living space are distributed into a separate living room with two distinct areas—a sitting area and a dining area—which opens onto a large terrace, ideal for entertaining family and friends. The separate, fully equipped kitchen opens onto a fantastic interior patio, providing another great feature of the home. It is complemented by three spacious bedrooms with built-in wardrobes: the master bedroom with an en-suite bathroom, and a second bathroom for the rest of the family or as a guest bathroom.

The property also includes an excellent parking

space and a practical storage room, adding value that is highly appreciated in this area. The complex boasts a communal swimming pool and common areas, as well as nighttime security for added peace of mind.

Beyond its location, setting, and features, this home offers a unique experience that makes it more than just a house: a true home to enjoy every day.
