Description

GILMAR is pleased to present this wonderful single-storey house in Dragonal Bajo, an area that is one of those 'hidden gems' in the municipality of Las Palmas de Gran Canaria. It offers the perfect balance between rural living and proximity to urban amenities.

The property has a floor area of over 200 square metres spread over three floors, with four bedrooms and two full bathrooms. On the ground floor, you'll find the living room, a dining room, a separate kitchen, a full bathroom and a bedroom with views to the outside. On the first floor, there are three further bedrooms, two of which have

direct access to a balcony overlooking the main street, a patio and another full bathroom. On the first floor, you'll find a partially covered terrace, perfect for relaxing or enjoying the views, as well as a practical utility room and two small storage rooms.

The perfect place for families or for those looking for a spacious home with good transport links to the city. You'll enjoy incredible views; it's situated opposite the Jardín Canario and on a cul-de-sac, so the atmosphere is entirely residential and peaceful. For shopping and leisure, the Alisios Shopping Centre is just a few minutes' drive away.
