Description

Located in the charming municipality of San Lorenzo de El Escorial, this semi-detached villa stands out for its incredible views and excellent layout. Built in 1975, this property offers a floor area of 216 square metres, distributed over a 270-square-metre plot. Distinctive features such as a private garden, garage and clothesline make it an ideal choice for those seeking comfort and space. In addition, its wooden flooring adds a warm and elegant touch to the interiors.

San Lorenzo de El Escorial is an iconic location in the Community of Madrid, known for its history, nature and tranquillity. This neighbourhood combines the

best of cultural life and access to green spaces, notable for its proximity to the Royal Monastery of El Escorial, a UNESCO World Heritage Site. This location is ideal for enjoying a peaceful environment without sacrificing proximity to services and transport links.

This semi-detached house offers great potential to become your ideal home. Its strategic location and unique features make it an exceptional opportunity for those seeking quality of life in a privileged environment.

Since 1983, **GILMAR** has been committed to helping
