Description

Gilmar Real Estate sells this exclusive property in Paseo de Reding: luxury, history and privileged location.

To live in Paseo de Reding is to be part of the history and exclusivity of Malaga. This iconic avenue, which pays homage to the military man Theodore Reding, victor of the battle of Bailén and governor of the city, is one of the most coveted and sought after areas due to its beauty, its historical importance and its unbeatable location. In this distinguished enclave we find emblematic monuments and buildings such as the Plaza de Toros de La Malagueta, the Palacio de la Tinta, the majestic Palacio Miramar, today converted into the most luxurious hotel in Malaga, and, of course, the beach

of La Malagueta, located just a few metres from our property. The property is located in a stately building, which has a magnificent entrance hall and doorman, guaranteeing maximum security and comfort to its residents.

A luxury home with spacious and functional spaces. With 253 square metres built, this property combines spaciousness, comfort and an elegant design, large independent living room, of extraordinary dimensions, with access to a linear terrace of generous proportions that runs along the entire exterior façade, three spacious bedrooms, with the master bedroom also connected to the terrace and with en suite bathroom, providing a private space for rest, second full bathroom,

Description

destined for the other two bedrooms, both equally spacious and bright, spacious kitchen, with office area and laundry room, perfect for day to day life and independent service area, with its own access and bathroom, offering functionality and privacy.

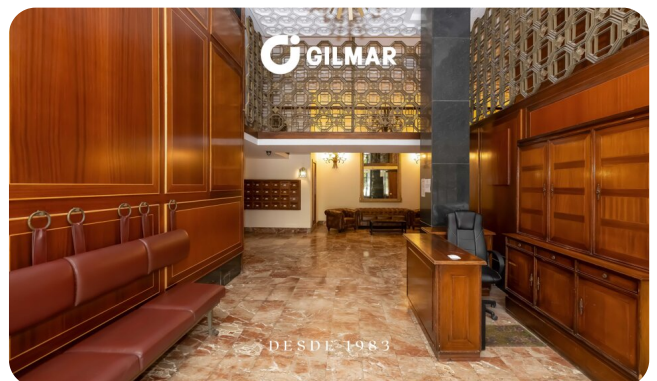

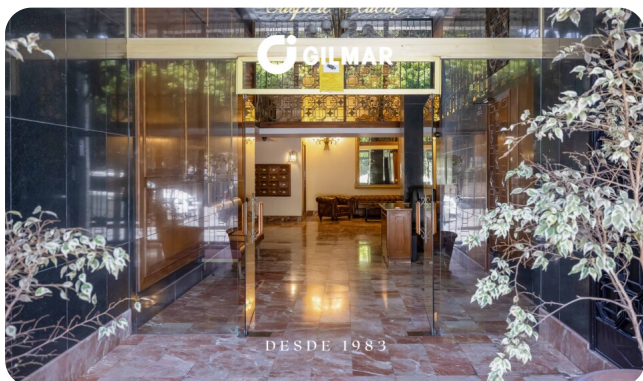

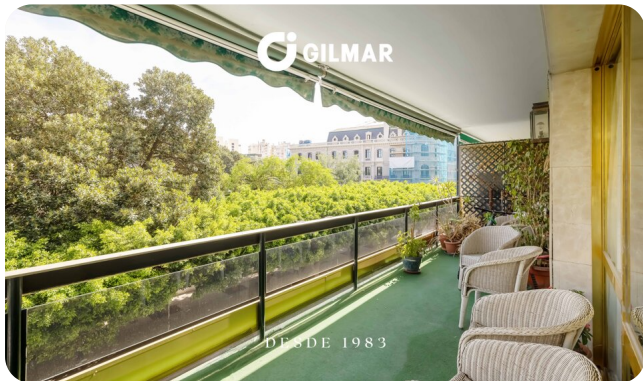

An added value: rooftop swimming pool with views of the Mediterranean. The building offers its residents an exclusive rooftop swimming pool, from where you can enjoy some of the best views of Malaga, with the Mediterranean Sea as a backdrop. In addition, the property has a storage room, an ideal extra space for storage. A unique opportunity in one of the best locations in Malaga.
