Description

Spacious renovated apartment, ready to move into, south-facing, very bright, with a 60 sq.m. living room and 5 en-suite bedrooms

This property was fully renovated in 2020 and is presented in excellent condition, with a spacious and very well-balanced layout.

The main living area is centred around a 60 sq.m. living-dining room with access to a 16 sq.m. south-facing terrace, which gives the property outstanding natural light. The kitchen is separate and includes an office area.

The main bedroom is arranged as a master suite with a sleeping area, two walk-in wardrobes — one

of them with space for a home office — and a private bathroom with a walk-in shower.

In addition, the property offers 4 further bedrooms, each between 12 and 14 sq.m., all with en-suite bathrooms. One of them also has access to a second terrace of 27 sq.m. with open views.

The apartment is part of a private residential development with mature landscaped gardens and a swimming pool.

Another of its key features is its location, just 400 metres from Avenida de la Osa Mayor, around a 5-minute walk, with all kinds of shops, services, and both urban and intercity bus lines close at hand.
