Description

Gilmar is offering you this exceptional apartment right in the heart of Plaza de San Antonio. Without a doubt, it is located in one of the most iconic spots in Cádiz, right in the historic center. Add to this the fact that both the apartment and the entire building have been recently renovated, and you have a true opportunity to live in one of the best locations in Cádiz. The renovation was comprehensive, carried out with great care and taste to preserve the original essence of this historic and stately building. As a result, as soon as you enter the building, you'll notice its original wooden door combined with a grille, and its majestic octagonal entrance with a pediment, which perfectly blends wood, marble, and exposed brick walls. In this central courtyard, the beautiful ornamental stone water basin has been

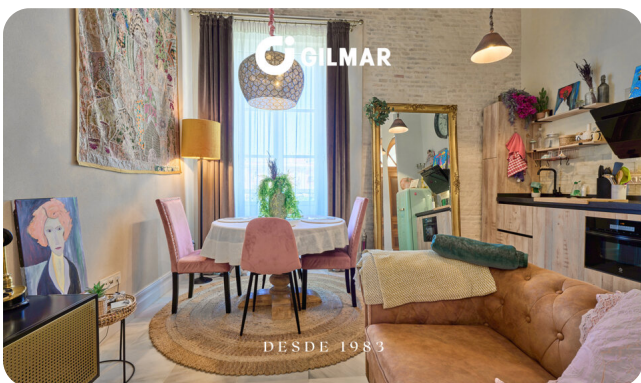

preserved. Upon entering the home, we are immediately struck by the high ceilings, which feature exposed wooden beams. We step directly into the cozy living-dining room with an open kitchen—an elegant space that is perfectly combined and integrated into a single area. From this room, there is direct access to its spectacular panoramic balcony, from which you can enjoy unbeatable views of the entire Plaza de San Antonio and its wonderful San Antonio Parish Church. The rest of the home consists of a beautiful and elegant bathroom and two bedrooms. The secondary bedroom opens onto a private balcony overlooking the plaza, and the master bedroom opens onto two balconies. Without a doubt, this is an excellent opportunity to live in one of the best locations in
