Description

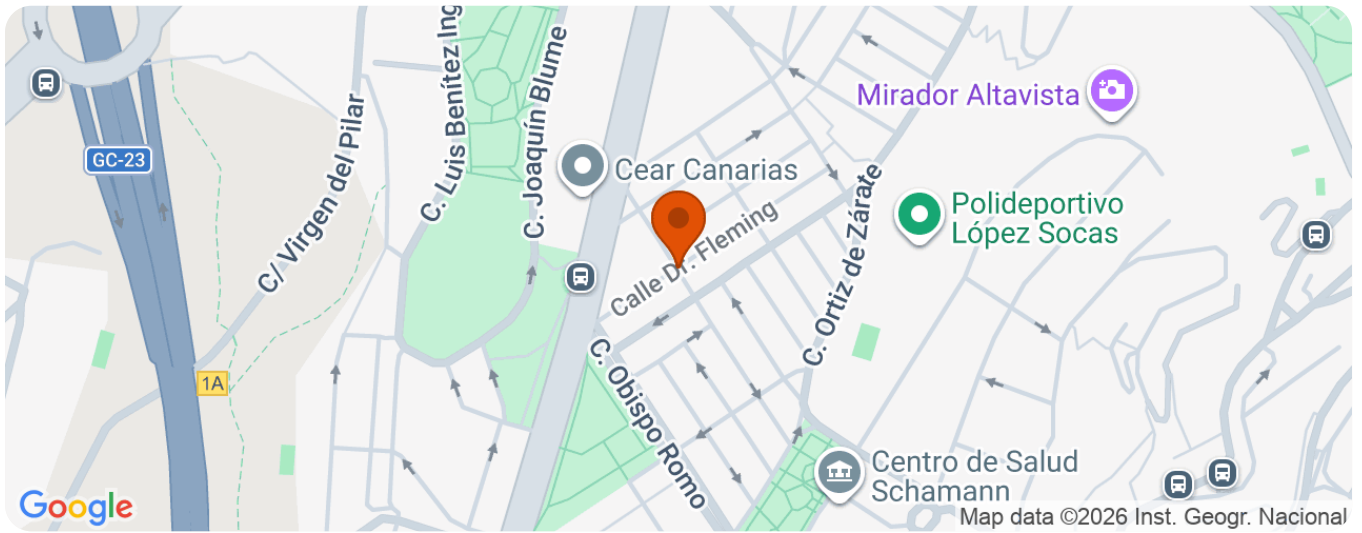

Gilmar is pleased to present this flat, ready to move into, in a highly sought-after area with a wide range of local amenities and excellent transport links to various parts of the city. It is a three-bedroom, two-bathroom property that has been completely refurbished; whilst it originally had four bedrooms, it now has three, as one of the original bedrooms has been incorporated into the living room. Following

the renovation, it has been rented and is currently available immediately. The block is managed by a reputable team which has recently upgraded the entrances, installed CCTV, etc. In short, a great option for a primary residence. It includes a generously sized parking space in a location that provides easy access to the entrance ramp.
