Description

GILMAR presents this spacious property on Galileo Street, located close to Plaza de España and José Mesa y López Avenue, one of the most sought-after areas of Las Palmas de Gran Canaria. A prime location, close to Las Canteras Beach and within walking distance of restaurants, shops, supermarkets, public transport and all the amenities this part of the city has to offer.

Situated on the second floor of a building without a lift, the property stands out for its generous proportions and a layout designed for those who genuinely need space. It features four bedrooms, two bathrooms, a large living room and an

independent kitchen, providing comfort and versatility for a large family, remote workers, or buyers seeking a main home with flexible rooms.

The two internal courtyards bring natural light and ventilation to several rooms, creating a pleasant and well-balanced atmosphere throughout the day. In addition, the property benefits from the use and enjoyment of the rooftop terrace, an increasingly rare feature in this location that provides extra space with a wide range of possibilities.

The property is practically ready to move into, with no major refurbishment required. A spacious,
