## Description

Located in the prestigious surroundings of Finca Cortesin in Casares, one of the most distinguished enclaves on the Costa del Sol, this villa presents a contemporary architectural vision where privacy and refined design are combined in perfect harmony. Finca Cortesin has established itself as one of the most exclusive residential destinations in southern Europe. This renowned five-star resort and golf course have made this enclave a highly sought-after destination and have encouraged international clients looking for tranquillity, security and an exceptional quality of life to come to its facilities. This villa is characterized by its carefully planned design, wide landscaped avenues, low density of buildings and an elegant residential atmosphere. Ideally located between Marbella and

Sotogrande, and just a few minutes from the beaches of Casares Costa, the area offers an exceptional balance between privacy and proximity to some of the most iconic destinations along the Costa del Sol, including prestigious marinas, renowned golf courses and a wide range of high-end amenities.

This splendid villa is defined by a personal horizontal architecture that extends across the landscape like a contemporary platform overlooking the horizon. Its long and elegant volumes project outwards, creating large terraces and outdoor spaces that frame the surrounding views. The house is spread across a sequence of calm and generous spaces that follow the movement of light throughout the

## Description

day, creating an atmosphere of openness and tranquility. The infinity pool visually extends the architecture into the landscape, reinforcing the feeling that the house and the skyline belong to the same continuous line.

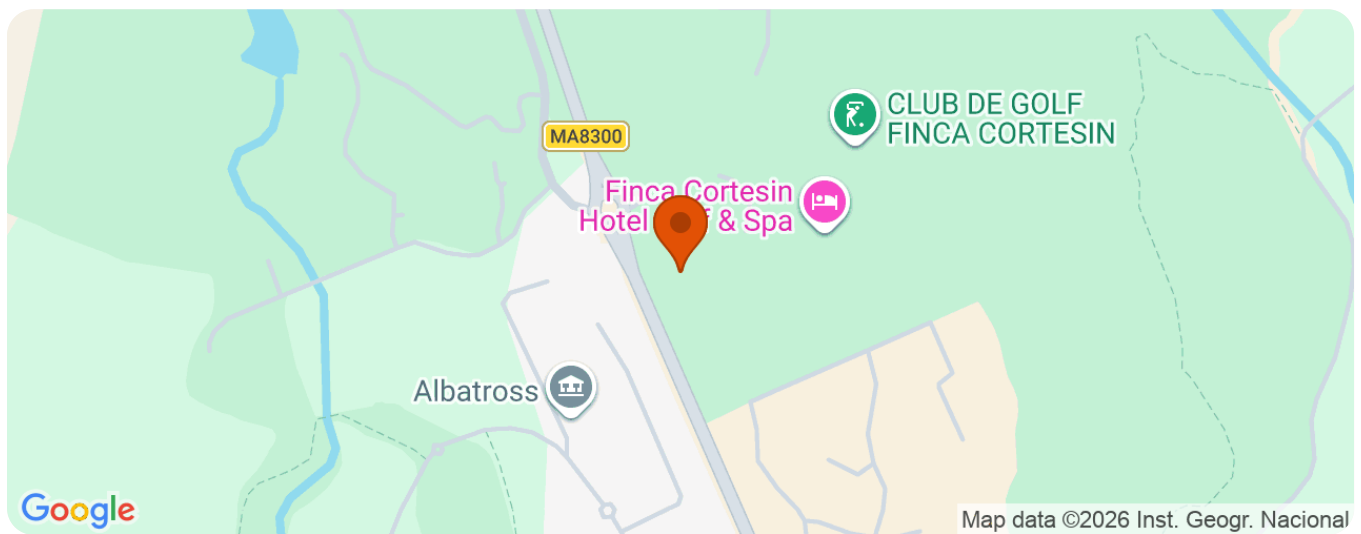

All in all, this villa offers contemporary architecture designed to celebrate the space, light and immensity of the landscape environment.

Villa in Casares with a built size of 693 m2 in a plot of 2,746 m2 distributed in 3 floors. Cuenta con 4 bedrooms, 5 bathrooms, 1 living room, facing South, 3 garages
