

Industrial building for sale in Puerto de Santa María - Cádiz

Puerto de Santa María, Cádiz

Reference: 223871

230,000 €

556 €/m²

414 m²

Description

An excellent 414 m² commercial unit, fully refurbished and ready for business. The property stands out for its versatility and optimal use of space, combining work areas, storage and offices within a single environment.

The unit features an area converted into offices, perfectly suited to administrative tasks and customer service, providing a comfortable and functional environment. It also features an open-plan upper floor, ideal for expanding

workspace, storage, product display or any other business requirement.

Thanks to its recent refurbishment, the property is in very good condition, offering modern facilities and a professional appearance suitable for any type of business.

An ideal opportunity for companies seeking a spacious, functional space that is ready for business from day one.
