Description

Exclusive Brand-New Residence on Claudio Coello, in the Heart of Recoletos

Located on one of the most prestigious and sought-after streets in Madrid's Salamanca district, this magnificent residence enjoys a prime position in the heart of Recoletos, within the city's most exclusive central area.

Fully refurbished and presented brand new, the property stands out for its exceptional quality finishes and its elegant, contemporary, and highly functional design, conceived to provide the utmost comfort and sophistication.

Situated on the second floor with an east-facing

orientation, the apartment enjoys abundant natural light throughout much of the day thanks to its predominantly exterior layout. All principal rooms benefit from windows facing the exterior, with the kitchen being the only interior space.

The living area offers a spectacular and generously proportioned entertaining space, ideal for both hosting guests and everyday family living. The spacious and bright open-plan reception area seamlessly integrates the living and dining rooms, creating a refined and welcoming atmosphere. The separate designer kitchen features an elegant central island and direct access to a pleasant private terrace.

Description

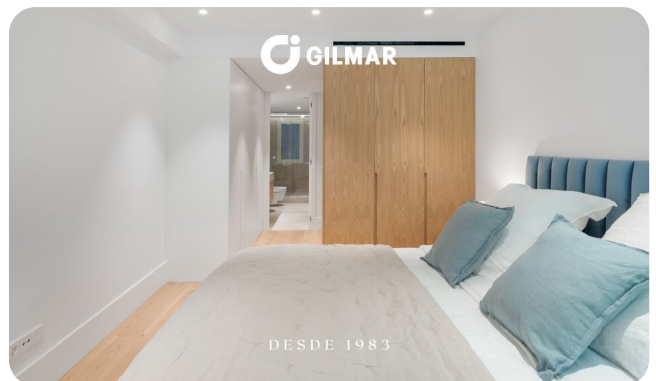

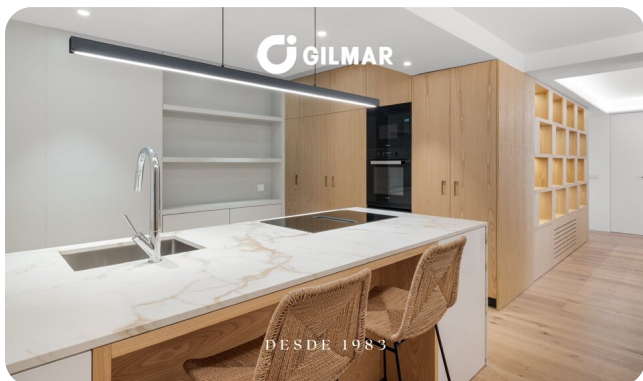

The private quarters comprise two magnificent en-suite bedrooms, both designed to ensure maximum privacy and comfort. Each bedroom benefits from spacious bathrooms and extensive storage provided by numerous fully fitted built-in wardrobes.

The property is set within a distinguished building

with a full-time concierge service and also includes a storage room.

A unique opportunity to acquire a brand-new residence finished to the highest market standards, in an unbeatable location within the exclusive Recoletos neighbourhood.
