Description

GILMAR exclusively presents this cozy and bright renovated loft in the heart of Seville's city center. With a built area of 47 m², this space has been thoughtfully designed to maximize its open-plan layout, seamlessly integrating the living room and kitchen to create a modern and functional ambiance. It features an independent bathroom with a shower, a restful sleeping area, and direct access to a spacious communal rooftop terrace—perfect for enjoying the pleasant views and Seville's delightful climate.

Located in the Puerta Osario area, this property sits in one of Seville's most emblematic spots, blending tradition with a vibrant cultural scene. This neighborhood, steeped in history, is surrounded by monumental buildings, charming narrow streets, and an appealing array of services and shops. With its distinct Sevillian charm and enviable location, it offers easy access to the city's main commercial and leisure areas.
