Description

Gilmar Sells Spectacular Independent Villa in Collado Villalba

Discover your dream home in this magnificent detached house located in Collado Villalba, in a prime area bordering La Dehesa! This 206 m² villa offers everything you need to live comfortably and in style. Built in the year 2000 and in excellent condition, it combines structural solidity with modern functionality.

Layout and Spaces

The home features 4 bedrooms and 4 fully equipped bathrooms, providing more than enough space for the entire family. All the bedrooms are strategically

distributed to maximize privacy and comfort. The built-in wardrobes in the rooms provide smart storage solutions, keeping the spaces neat and bright.

Light and Views

Facing south, this property enjoys exceptional natural light throughout the day, filling the interiors with warmth and brightness. The beautiful views from the house create a serene and pleasant atmosphere, allowing you to fully appreciate the surrounding natural environment.

Garden and Outdoor Areas

Description

The 716 m² plot is a true gem, offering ample opportunities for outdoor enjoyment. A private terrace provides a perfect space to relax and take advantage of the Mediterranean climate, ideal for family dinners or quiet moments. The property also includes a garage to protect your vehicle, in addition to an extra parking spot.

Systems and Efficiency

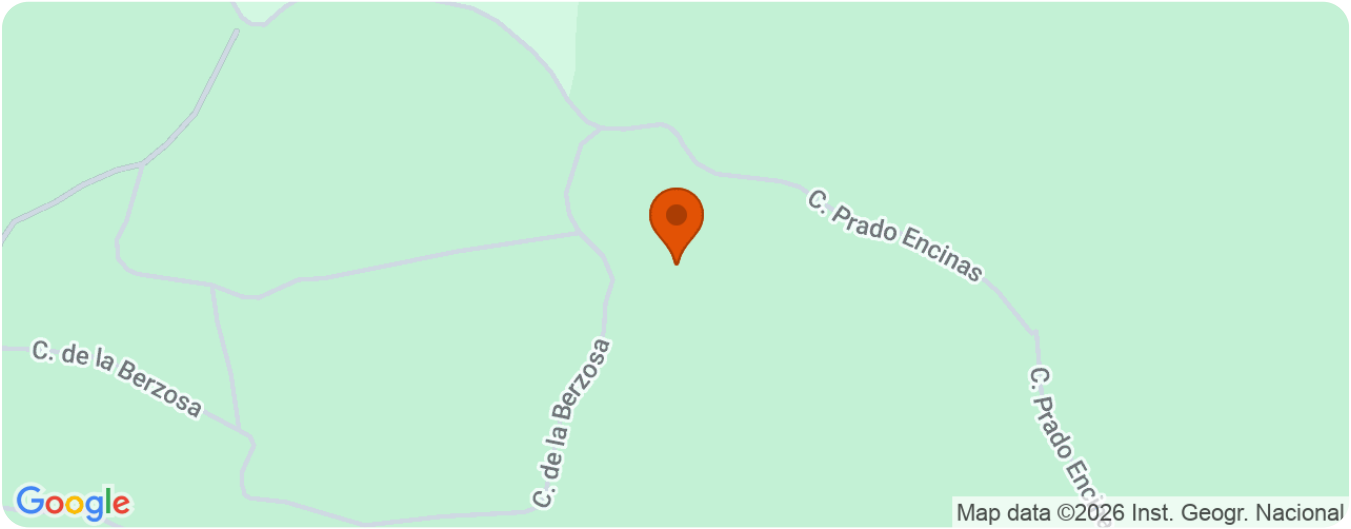

Equipped with natural gas heating, it ensures year-round thermal comfort.

Don't wait any longer! This is your chance to live in a privileged area with all the modern amenities!
