Description

GILMAR is pleased to present this magnificent property on Ronda de Capuchinos, one of Seville's most established neighbourhoods, right next to the historic centre.

Situated on the second floor of an iconic building with a concierge service and three lifts, it spans 262 m² and stands out for its spacious rooms, excellent layout and extraordinary natural light.

The property has five bedrooms with fitted wardrobes and three full bathrooms. Its main

attraction is a magnificent terrace approximately 25 metres long, which runs alongside the main rooms and creates a pleasant sense of space and light.

The marble flooring and the generous dimensions of its rooms reflect the stately character of this property, which also offers the option to purchase two parking spaces in the same building.

A prestigious and spacious home, in a prime location just a few minutes from the centre of Seville.
