Description

Parking spaces in Doña Juana I de Castilla

Security, convenience and a prime location

We are offering for sale parking spaces located in the exclusive **DOÑA JUANA I DE CASTILLA** residential development, one of the most sought-after residential areas in north-east Madrid, within the M-40 ring road.

An excellent opportunity both for residents of the development and for those who work or live in the surrounding area and wish to put their parking worries behind them.

Convenience for everyday life

The parking spaces offer convenient and practical access, with ample manoeuvring space and direct access from the street, providing maximum convenience and security for your vehicle.

The residential complex has a 24-hour security service and controlled access, ensuring greater peace of mind and protection. A strategic location

Situated in an area with excellent transport links, the spaces are just a few minutes' drive from the centre of Madrid and Adolfo Suárez Madrid-Barajas Airport, with quick access to the M-30, M-40 and A-2.

Description

They also boast excellent public transport links, with the **SUANZES METRO STATION (LINE 5)** and several bus routes very close by.

All amenities within easy reach

The area offers a wide range of services, business centres, hospitals, schools and shopping areas, including Arturo Soria Plaza, Alcalá Norte and El Corte Inglés at Campo de las Naciones, making these parking spaces a practical and highly useful investment.

A smart investment

Whether you're looking for a parking space for your own use or an investment with high rental demand, these parking spaces represent an excellent opportunity in one of Madrid's areas with the greatest shortage of parking.

Request further information and find out about the availability of parking spaces in the **DOÑA JUANA I DE CASTILLA** residential development.
