

Urban plot for sale in Entrenúcleos - Sevilla

Entrenúcleos, Sevilla

Reference: 225503

199,000 €

385 €/m²

517 m²

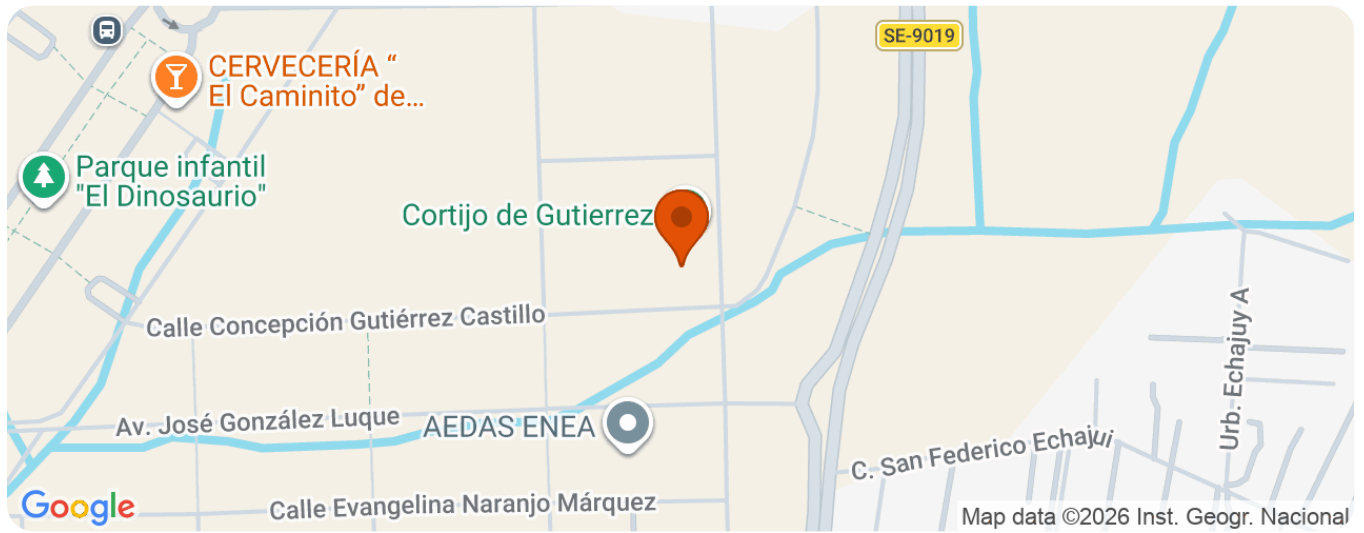

Description

Are you looking for the perfect place to design your bespoke home? We're delighted to present a unique and exclusive opportunity in Entrenúcleos (Dos Hermanas), the area with the greatest potential and demand in the entire Seville metropolitan area. A magnificent 516 m² urban plot is for sale, completely flat and with a perfect square layout (24 metres wide by 22 metres deep). Its excellent layout and fantastic orientation make it ideal for building a detached house with a spacious garden, swimming

pool and complete privacy. The plot has direct access to a private road and is situated in a fully developed neighbourhood offering an exceptional quality of life: wide avenues, green spaces, prestigious schools, shops and unbeatable links to Seville city centre. Key features: Total area: 516 m² (517 m² according to the land registry) Frontage: 24 metres | Depth: 22 metres
