Description

Exclusive Apartment in Entrenúcleos, the New Residential Benchmark in the Metropolitan Area of Seville

We are pleased to present this exclusive property located in Entrenúcleos, the fastest-growing, most promising, and highly sought-after area of Dos Hermanas. A modern enclave that has firmly established itself as the new residential benchmark within the metropolitan area of Seville, thanks to its exceptional urban planning, wide avenues, green spaces, and a comprehensive range of services—just minutes away from Seville's city center.

One of its major highlights is its enviable location,

situated next to the new CENTRO COMERCIAL ENTRENASAS, a hub that combines extensive shopping, dining, and leisure options, bringing convenience and added value to everyday life. Additionally, the area boasts excellent road connections, access to prestigious educational centers, sports facilities, supermarkets, and all essential services.

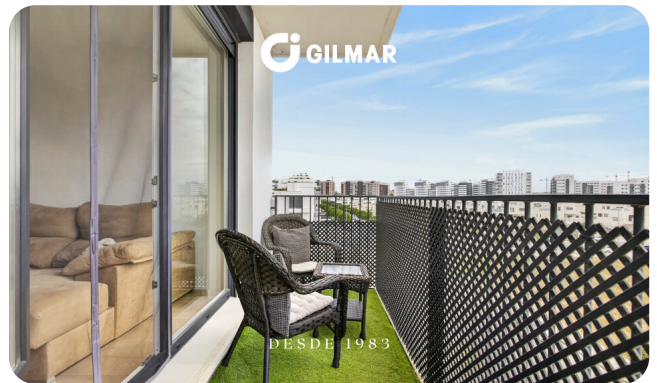

This property stands out due to its spaciousness, abundant natural light, and thoughtful layout. It features 3 bedrooms, 2 bathrooms, a terrace, garage, and storage room, all within an exclusive residential community with a communal swimming pool and GYM. Designed for those who seek a refined lifestyle with every comfort, this is also an

Description

excellent investment opportunity in one of the most promising areas for property value appreciation in

Seville.
