Description

Exclusive 307 sqm residence located on the sixth floor, completely exterior-facing and newly renovated to an exceptional standard, with super-luxury finishes and craftsmanship throughout. The property is delivered fully furnished and ready to move into, including a spectacular kitchen equipped with high-end appliances.

Its privileged exterior orientation and elevated position ensure an extraordinary abundance of natural light throughout the day. Every room benefits from exceptional brightness and a wonderful sense of space.

The layout has been carefully designed to make the most of its generous dimensions while providing

privacy and comfort, both for family living and for entertaining guests.

The main living area is centred around a spectacularly spacious living-dining room, a truly impressive space offering multiple layout possibilities. The kitchen flows naturally into this large open-plan area, creating visual continuity and a distinctly contemporary feel.

The kitchen is defined by its spectacular large central island, complemented by excellent storage capacity. It is delivered fully equipped with high-end appliances, with every detail carefully considered to combine functionality and sophisticated design.

Description

The private quarters comprise five suites, an especially rare configuration for a property of this size. There are three generously sized double suites and two additional, more compact suites, all designed to provide maximum comfort and independence.

The master suite is particularly spacious and features a spectacular dual walk-in dressing room and a luxurious double bathroom.

The property also includes a separate laundry room, designed to provide maximum functionality while keeping the service areas perfectly separated from the rest of the home. An elegant guest cloakroom is also included, thoughtfully designed for guests and seamlessly integrated into the overall layout.

The property is completed by a carefully selected combination of outstanding materials, finishes, joinery, fittings and details, following a sophisticated and timeless aesthetic in which luxury is evident both in the grand spaces and in the smallest details.

The residence is delivered fully furnished, with

carefully selected furniture perfectly integrated into the interior design project, allowing its new owners to enjoy the property from the very first day without the need for any additional investment.

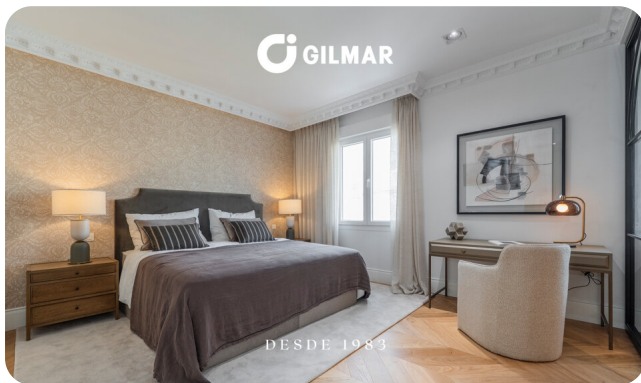

The building also benefits from a dedicated porter, providing an additional level of service, convenience and security.

An extraordinary property distinguished by its generous size, elevated position, exceptional natural light, thoughtful layout and outstanding level of finishes, designed for those seeking a prestigious residence that is fully completed and equipped.
