Description

Located in the prestigious Soto Sierra residential community, in the heart of Soto del Real, this detached home was built in 1970 and boasts features that make it a unique property on the real estate market. Set on a 962-square-meter lot, this home offers a total floor area of 307 square meters spread over two floors and features 4 bedrooms and 2 full bathrooms, designed to provide maximum comfort for the entire family.

The property serves as a haven of privacy and relaxation, standing out for its private garden and swimming pool, ideal for enjoying summer days. Among other amenities, it includes central heating, warm hardwood floors, built-in closets, and a

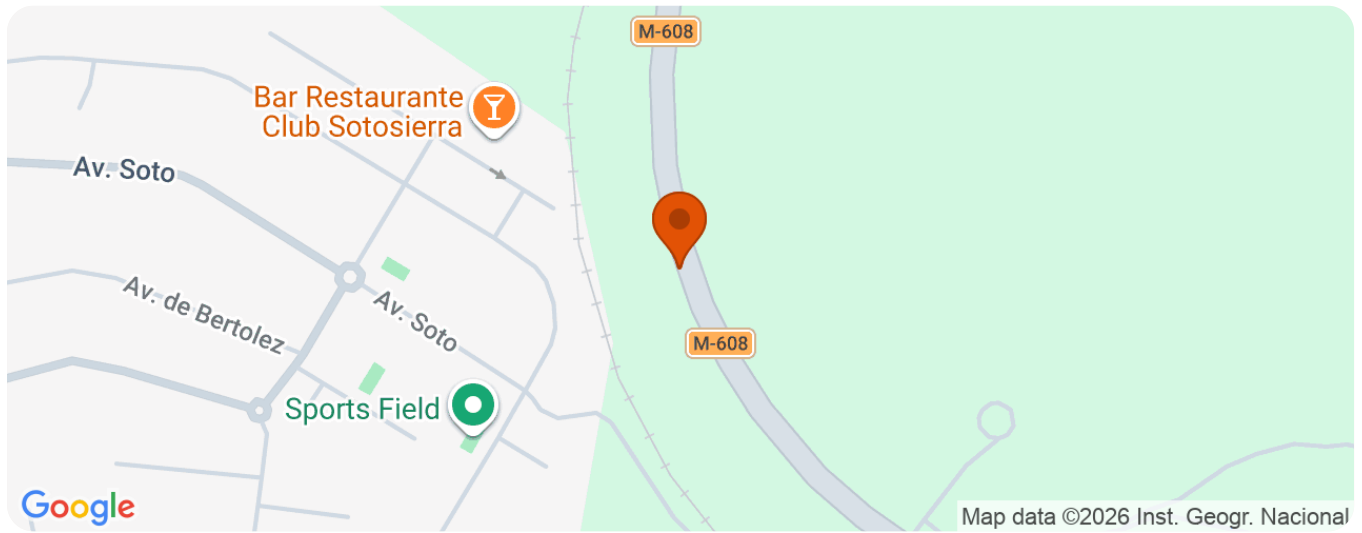

reinforced security door. Furthermore, it is located within a gated community that guarantees maximum tranquility and features 24-hour security, adding an extra level of exclusivity and comfort.

Soto del Real is a strategic enclave in northern Madrid, known for its exceptional natural surroundings that make it a gem at the foot of the Sierra de Guadarrama. The Soto Sierra residential community, in particular, combines this idyllic setting with easy access to all necessary amenities. The area boasts excellent educational options, notably the SEK-Ciudalcampo School, located less than 10 kilometers away.
