Description

Gilmar de Majadahonda is pleased to offer this magnificent detached home in a prime location.

This spacious home, with 240 m² of living space, is situated on a spectacular 2,000 m² lot, featuring a private garden, a swimming pool, and pleasant views.

The house is currently laid out on a single level and features 3 bedrooms and 2 bathrooms. The main living area stands out for its spacious and bright living-dining room with an impressive, large fireplace, as well as the views that add a special charm to the space.

The ground floor has two bedrooms, one of which

includes a space currently used as a storage room and prepared for the possible installation of an additional bathroom. One of the existing bathrooms is en suite with one of the bedrooms.

The basement also features a bedroom intended for domestic staff or guests with its own bathroom, adding privacy and versatility to the home.

One of its major attractions is the potential to expand the home, as there is the option to add a second story, providing approximately 100 m² of additional buildable area.

Outside, the property features a 2,000 m² lot with a garden and a 31 m² private pool—an ideal space for

Description

enjoying the outdoors and creating different areas for relaxation, leisure, or family gatherings.

The home, built in 1972, faces northwest and has an automatic gate.

At Gilmar, we have been working to offer our clients the best properties for 43 years. We cover all real estate needs: homes, offices, commercial spaces,

building lots, rural properties, land for development...

We have more than 30 specialized teams in different areas serving over 90,000 domestic and international clients, who receive the necessary guidance to ensure their security, legal compliance, and the best financial and tax returns.
