Description

DETACHED VILLA WITH SWIMMING POOL IN A GATED COMMUNITY

Located in one of the residential areas of Palomares del Río, within a gated community, is this detached villa built in 2008 – a property that stands out for its spaciousness, natural light and excellent outdoor areas.

The property has a floor area of 189.64 m² on a plot of 308 m², spread over two floors, with four bedrooms, two bathrooms and a separate toilet.

Among its most distinctive features is the designer kitchen, which is fully glazed to the outside, providing plenty of natural light and a pleasant

visual connection to the garden. The spacious covered veranda effectively serves as a second, open-air living room: a versatile and cosy space, perfect for enjoying meals, family gatherings or moments of relaxation all year round. The private garden and swimming pool complete a particularly pleasant outdoor area, designed to make the most of the property and outdoor living. Inside, the marble floors, air conditioning, fitted wardrobes and abundant natural light bring comfort and elegance to the various rooms.

A property that combines spaciousness, privacy and excellent outdoor living spaces, situated in Palomares del Río, some 15 kilometres from Seville.
