Description

Discover this elegant detached villa located in El Paraíso, one of the Costa del Sol's most sought-after residential areas, within easy reach of golf courses, beaches and a wide range of amenities.

Distributed over three levels, the property offers 5 bedrooms, 4 bathrooms and a guest toilet. The spacious interiors are filled with natural light and include a welcoming living room with direct access to the terraces and outdoor areas, creating a seamless connection between the indoor and outdoor spaces.

Outside, the villa features a private garden and swimming pool, providing a peaceful and private

setting to enjoy the exceptional Mediterranean climate throughout the year.

The property is perfectly habitable in its current condition while offering excellent potential for modernisation. A primarily cosmetic renovation would allow the interiors to be brought up to date and given a more contemporary feel, while preserving the generous proportions and existing qualities of the property.

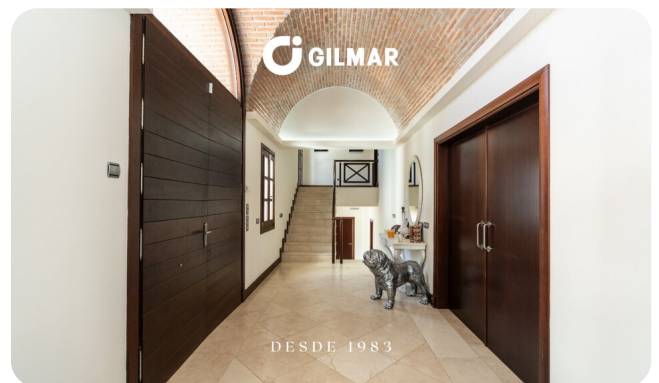

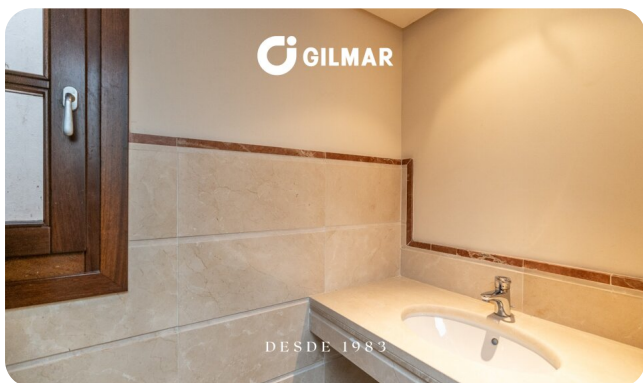

Its location is one of its key advantages, approximately 10 minutes from Estepona and 15 minutes from Marbella, with beaches, golf courses, restaurants, shops and essential amenities all easily accessible.

Description

A property combining generous space, privacy, tranquillity and an excellent location, ideal as a

permanent residence, a second home or an investment opportunity on the Costa del Sol.
