Description

Ground floor apartment in Bel-Air, 121 m², 3 bedrooms, 2 bathrooms, kitchen, terrace of 100 square meters, facing East.

FLAT WITH LARGE PRIVATE TERRACE IN A RESIDENTIAL COMPLEX BY THE SEA: Ground-floor flat in Bel-Air, 121 m², 3 bedrooms, 2 bathrooms, kitchen, 100.00-metre terrace, outdoor, very light and airy, east-facing.

The flat is situated in a pleasant private residential development; a property with excellent potential to become a comfortable and attractive home following a refurbishment and modernisation of its

interiors.

The property retains high-quality features such as marble floors, solid wood interior doors and fitted wardrobes in all bedrooms**. It also has two full bathrooms with baths.

One of its major attractions is its spectacular private terrace of approximately 100 m², an exceptional space offering endless possibilities for creating a true private oasis: from an urban vegetable garden or landscaped area to an elegant chill-out space for enjoying the Mediterranean climate al fresco.

Description

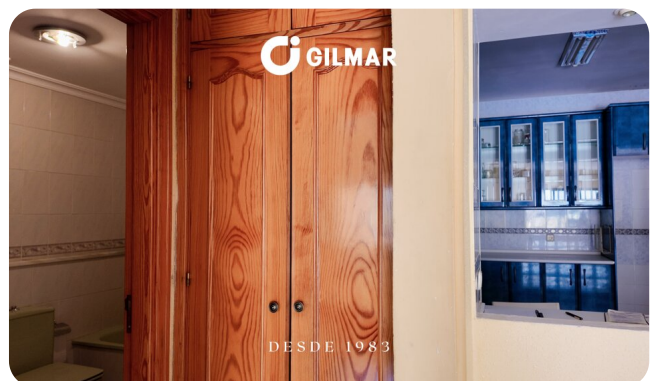

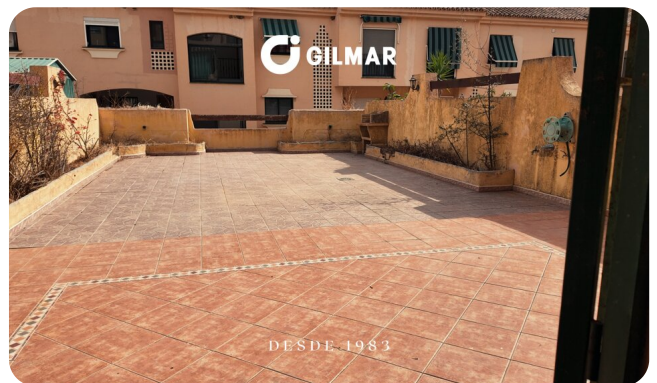

The estate boasts extensive landscaped gardens and communal swimming pools for adults and children, creating a pleasant, family-friendly residential environment.

The location allows you to enjoy one of the great advantages of this property: the beach is just a short walk away, along a pleasant promenade. The

area also offers easy parking, and there is the option to purchase or rent garage spaces within the development itself.

A property with great potential for renovation, particularly appealing to those seeking a home near the sea who wish to personalise it to their own taste, or to investors who value a location with appeal for both residential and holiday use.
