

Rustic-country plot for sale in Guadalix de la Sierra - Madrid

Guadalix de la Sierra, Madrid

Reference: 228075

318,000 €

51 €/m²

6233 m²

Description

In the exclusive setting of Miraflores de la Sierra, a unique real estate investment opportunity is available. This 6,233-square-meter rural lot is located in the heart of a natural paradise, offering absolute peace, spectacular views, and endless possibilities for those who wish to create their own oasis of tranquility surrounded by nature or use the space for profitable projects.

The property features two separate homes, each strategically designed with one bedroom, a cozy kitchen, and a living room equipped with a wood-burning fireplace (in one of them), ideal for enjoying comfort and warmth during the colder

months of the year. To enhance the property's sustainability, one of the homes is equipped with solar panels, reflecting a commitment to the environment. The property also has access to water, ensuring all essential services for a fulfilling lifestyle or for starting agricultural or recreational activities. The size and layout of the land offer endless possibilities for those with the vision to transform this gem into a source of guaranteed profitability or their perfect retreat.

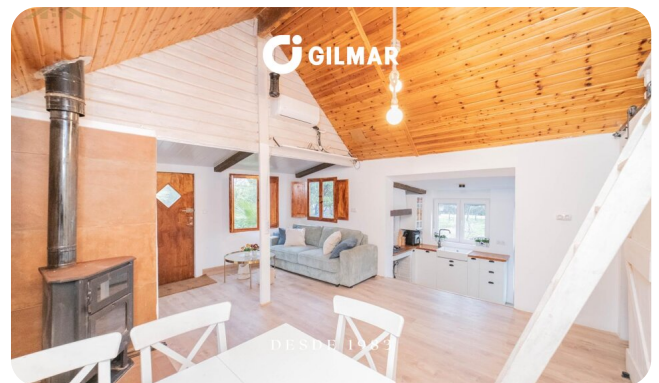

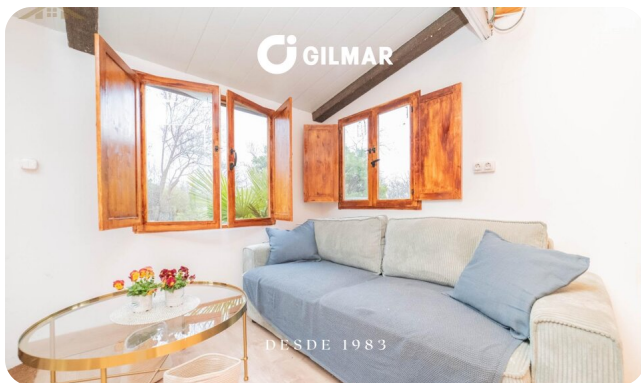

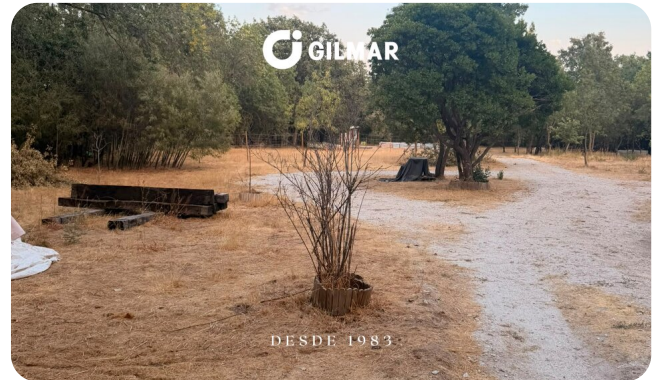

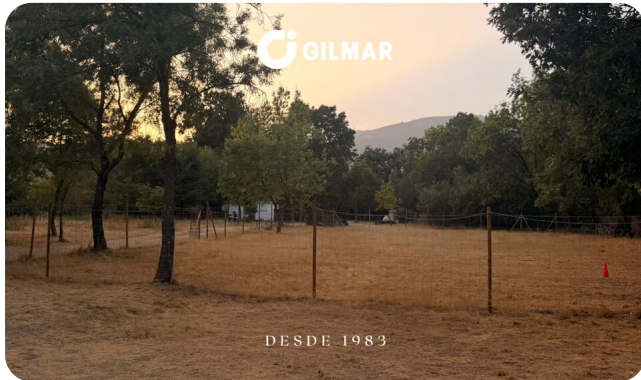

The area around Miraflores de la Sierra and Guadalix de la Sierra is known for its extraordinary natural beauty, nestled within the Sierra de Guadarrama

Description

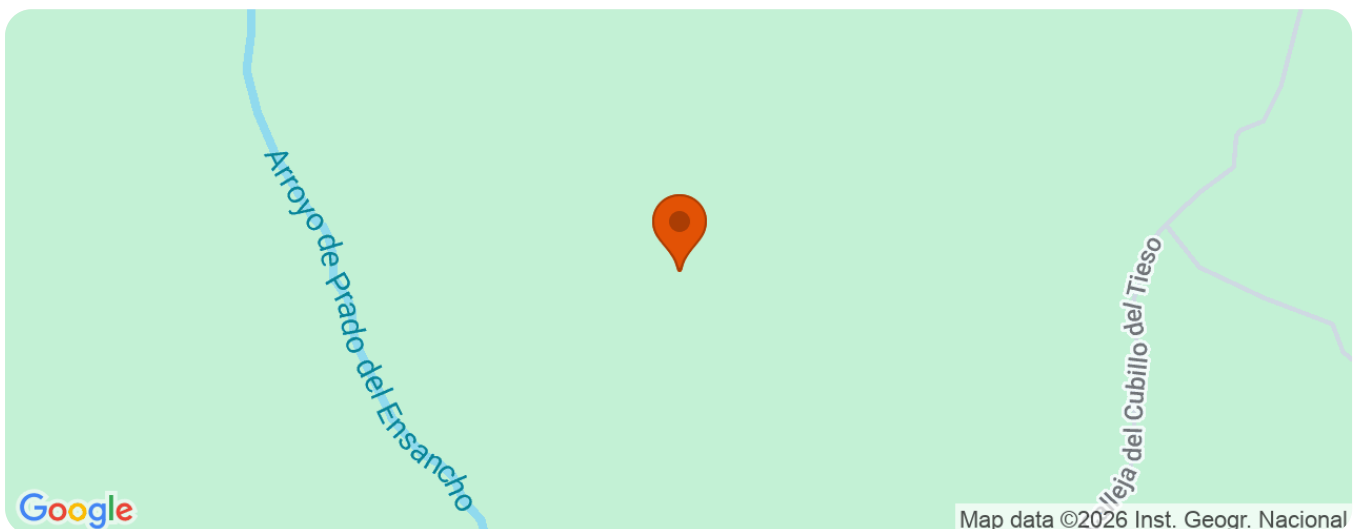

National Park. Amid green meadows, lush forests, and unparalleled fresh air, this area offers an ideal

retreat for those seeking to get away from
